

Bunnings Workshop

The prep children were excited to participate in one of our Bunnings Workshops led by Lyn Kellows from Frankston Bunnings. Following their theme this term of Fairy Tales, the students created a bean stalk with Jack climbing up, then placed it in a decorated pot with three 'magic' beans to grow at home.

Lyn has run workshops with students in Grades 3-6 this year and will be back in Term 4 for a workshop with our Grade 1 children.
