

# The Overport Times

## From the Principal's Desk

**Dear Parents, Guardians and Students,**

**Production – Ready, Set, Go!** The students are excited and ready for our production, Space Pirates. On Wednesday the students had their run through in the hall and the teachers were delighted in their performances. All the hard work and preparation is almost over and now we look forward to another wonderful evening where the children will present to you this year's production.

**Year 5 Science Displays:** Our year 5 students have been working very hard in science this term. They researched an element of the Periodic Table and created an information card about the element as well as a diagram of the atomic structure using pasta shells for the electrons. Here are some photos of the science displays that the students of 5C worked on for this unit on Chemistry.

**Frankston Youth Services, The Hangout at OPS.** Every Monday at lunchtime, Cristina and Imogen come over to the school from The Frankston Recreation Centre opposite our school to work on building social skills with the Year 6 students. They are both social workers from Frankston Youth Services, The Hangout. This was started by Miss Stacey Clark about two years ago and continues to be very successful. Miss Yanni has continued it recognizing the many benefit for our students.

**Late Passes:** While we strongly encourage students to arrive on time, we recognise there are times where a variety of things may impact. However, if your child is arriving after 9.05 am and therefore, requires a "Late Pass", they **MUST** be signed in by an adult. Students cannot sign themselves in when arriving late. This is a requirement from the department. Please assist us in this matter.

**Father's Day Stalls:** Don't forget that next Wednesday 31<sup>st</sup> August and Thursday, 1<sup>st</sup> September our Parents' Club members will hold their annual Father's Day stalls. Thank you to Parents' Club for undertaking this event again.

*Kind Regards,  
Julie Gleeson,  
Principal.*

## Assistant Principal's Report

Last week was National Support Staff week – a celebration to build respect and recognise the fantastic job all of our Education Support Staff do for us at Overport Primary School. In our office we have Viv, Melissa and Linda. Supporting children and staff in classrooms you will find Sue, Wendy, Jenny, Eleanor Bianca and Kamla. Venetia assists in the library, Monica runs our fabulous canteen and Joy is doing an amazing job looking after everyone in the sickbay. Without the support of these wonderful people, our job here would be all the more difficult. Thank you all!

While production has taken up a lot of our thinking just lately, there are also some other exciting things our students have been involved in at the same time. Today we had a large group of students competing in senior Hoop time competition. Hoop time for year 3 and 4 students takes place next Wednesday. We wish all teams' good luck, and hope they have a great day.

Our parents club will be running our Father's Day stall next Wednesday 31<sup>st</sup> August and Thursday 1<sup>st</sup> September. All classes will be timetabled to attend the stall, and students are encouraged to bring along some pocket money to purchase a gift for dad.

Our Sunsmart policy requires all students to be wearing a broad-brimmed hat in the playground from the beginning of September. This is only a week away, so now would be a great time to start looking for that hat.

Due to next Monday 29<sup>th</sup> August being Production Day, there will be NO ASSEMBLY next week. All students will be attending a full dress rehearsal at Frankston Arts Centre. Please be aware of your child's costume requirements for the day, and also make-up requirements for the night performance. All junior classes and Year 6's, must arrive at 5.15pm for the 5.45pm performance. Year 3-5 students need to arrive at 7.00pm for their 7.30pm performance.

DVD orders for Space Pirates will be accepted until the end of next week. if you would like to order a copy, please send your order form by Friday 2<sup>nd</sup> September. Another copy of this order form is included in today's newsletter.

See you all at the Frankston Arts Centre next Monday for 'Space Pirates'!

Have a great weekend everyone,

**Deborah Madder**  
**Assistant Principal**

## Extend OSHC at Overport Primary School

What a great week have had last week. Our Mc Gilbert Farm display was a great success. All the children had so much fun creating all our farm animals with different types of materials. We had a couple of nice afternoons where the staff and children were able to spend a little more time outside playing on the playground, doing lots of tricks on the monkey bars and also showing off their footy skills playing football.

## Our school has an app

We are now using an app to send instant messages, newsletters and notices.

The tiqbiz app will help our school keep you fully informed and up-to-date with newsletters, notices, news and events. It's easy to use and also has the benefit of helping reduce our paper consumption by printing less.

### Downloading is easy...

iPhone and iPad.  
Go to the Apple App Store and search tiqbiz.

Android smartphone and tablet.  
Go to Google play and search tiqbiz.

Windows & Mac computers.  
Go to [www.tiqbiz.com](http://www.tiqbiz.com) and click on the download button.
