

Please come to our Christmas Book Fair!

From the **1st to the 4th of December** the *Lamont Books Book Fair* will be hosted at Overport Primary school.

Come along and enjoy the beautiful books on offer, perhaps snap up some great Christmas presents. The book fair will have a range of Christmas titles, as well as, featuring new release books and books from favourite authors, such as Andy Griffith's, Jackie French, Holly Webb and many more!

This is a great opportunity for the children to expand their reading horizons and to add to their at-home libraries. The school will receive a percentage of all book sales and this will be used to purchase books for our library.

The Lamont Book Fair has excellent prices and resources that will support your child's reading journey and will be held in our beautiful Library.

Merry Christmas and enjoy the Christmas Book Fair!
