

HOWARD & SONS PYROTECHNICS

NEIGHBOUR NOTIFICATION

Dear Neighbour

Please be advised that we are conducting a fireworks display at the following location in your neighbourhood.

As fireworks do at times have an impact on some pets we ask that you either, secure them, take them out for a trip or lock them in doors. If you wish to minimise stress it can be a good idea to feed them or play some music at the time of the display. In extreme cases sedation can be used but seek veterinary advice first.

If you live on a rural property we suggest that the animals are penned in a secure area and they are housed as far as possible from the firing area. If there is lower land or gullies these are ideal as the noise travels overhead.

We hope this information is helpful and you enjoy our display.

THE DISPLAY DETAILS ARE AS FOLLOWS

DATE: Friday 4th November, 2016

VENUE: Overport Primary School

DISPLAY TIME: 9.00pm

DISPLAY DURATION: 10 minutes

If you have any further questions or queries, please feel free to contact me at any time, or visit our web site to see how we do it.

Regards

HOWARD & SONS PYROTECHNICS (DISPLAYS) PTY LTD
