

# Foundation Homework Grid

*Here are some activities for you to complete at home if you choose to. As you complete each activity you may like to colour it in on the grid.*

Reading	Writing	Soundwaves	Maths	Inquiry	Wellbeing
Practice this word list in a fun way: <i>look me at I is am like</i>	Write your name in 6 different colours	Do a sound hunt and draw or take pictures of things that start with B, K, D, F, G, H, N, M, P & R.	Help with some cooking. What maths did you use? eg: How many cups of flour? How many biscuits are made?	Look at family photos. Draw and label members of family	Watch Cosmic Kids (youtube), or meditate to music for 10 minutes.
Share a book with a family member. Draw your favourite character or part.	Practice writing your numbers, letters and word list words. (as in reading grid above)	Do a sound hunt and draw things you found.	Roll a dice. List the numbers that show up. Count which number shows up the most.	Think about and discuss a special family celebration. Draw a picture of it	Do something kind for someone - help pack up something for someone, ask how some is feeling, give someone you love a hug.
Share a book with a family member. Draw the beginning, middle and end of the story.	Draw your day and you might like to have a go at writing some sounds or words to match.	Play "I spy" giving the beginning sounds for clues	Play a game like snakes and ladders, Monopoly, Uno, concentration.	Look at a map of the world. Place a marker where we live. Place markers on different locations we can think of.	Draw how you're feeling
Practice reading your word list in your purple books. Have someone test you to see how	Draw a picture of your family and label your picture with <b>any</b> attempt at a sound.	Listen to the Soundwaves chant and do the actions (found on Youtube)	Count how many doors, how many windows in your house. Write the number.	Talk to someone in your family about their childhood. What things were the same? What	Do a relaxing 'mindful' colouring listening to relaxing music

many you know now.				things were different?	
Look at a book/magazine and count how many words from the words list above.	Draw your favourite things. It could be your favourite toy, your favourite food or even your favourite game. You might like to try to write some sounds to match your picture.	Do a Book Hunt and find and write words that match the letters of the alphabet. Draw some pictures too.	Count how many cars you see drive past, or how many birds/bugs you see outside.. or a variation of these. Write the number	Find out something interesting about animals and their babies? What do animal families look like?	Sit outside and talk about what each of your 5 senses is experiencing - what can you feel? See? smell? Hear?
