

the little things

...like extra nappies and spare goggles, so rushed parents don't have to worry about anything they may have forgotten. Little things like caring teachers who know when a child needs a little extra attention and welcoming staff that are happy to help when a parent has their hands full of bags, toddlers and towels.

At Kingswim, we know it's the little things that make all the difference.

Let us find the perfect time for your FREE introductory lesson.
