

Extend OSHC at Overport Primary School

Recap

This past fortnight we have had loads of fun at Extend before and after school care. Our dress ups have been an all round favourite for all children and have made an appearance almost every day! Ninja turtles, cheer leader, pirate and Hawaiian costumes have been the favourite costumes and lots of different plays have been created and presented to the rest of the group! We have also made lots of cool masks using all sorts of recyclable materials that turned out fantastic and it was great to see a range of different designs.

Courtney, Team Leader

Our Extend Superstar is: Georgia because she has gone above and beyond with helping to clean up in the mornings and always offering a helping hand to others.
