

Parent Opinion Survey 2017

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents at each school.

It is designed to assist our school in gaining an understanding of parents' perception of school climate, student engagement and relationships with our parent community. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

This year the survey will be conducted **online by ORIMA Research Pty Ltd** and only takes **15 minutes** to complete.

The school computer system will randomly generate a sample of approximately 30 per cent of parents within the school, who will then be invited to participate. All responses to the survey are anonymous. If you are selected to take part in this survey, you will be notified either by email or by letter and issued with a link to the survey.

The survey can be accessed via desktop computer, laptop, tablet or mobile at any convenient time between **Monday 7th August** and **Sunday 27th August**.

This online survey will be available in a variety of languages, should this be a need.

The results of this Parent Opinion survey will become available, and be reported back to our school at the end of September, and will assist with the planning of initiatives for the future school improvements.

Should you be selected to participate in this survey, we thank you in advance for taking part.

Yours sincerely,

Deborah Madder

Assistant Principal

Overport Primary School
