Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case by case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

Yours sincerely,

Signed: Julie Gleeson (Principal)

Jenny Sidwell (School Council President)
