

Prep 2019-2020 Transition Program

Welcome to Overport Primary School! In November we begin our formal Transition Program to ensure a smooth start to school in 2020.

We have allocated three sessions and a final statewide transition day.

The children will come into the prep learning space for a school experience.

For the three transition sessions in November, the children will be grouped by their kinders/childcare centre if possible. **These are not their classes or teachers for 2020.**

Classes for 2020 will be decided after the November transition dates are completed.

For the Statewide transition day in December, the children will be in their correct grades, with their 2020 teacher, where possible. We are planning a parent/child and teacher familiarization meeting a week prior to the Statewide transition day. Where you will have the opportunity to meet with your child's teacher for 10 minutes to share important information to ensure a smooth transition into school.

These will be held on Thursday 5th December. There will be further information to follow closer to the date.

When planning classes, we take into consideration friendship groups and try to ensure children have at least one familiar friend. **If you have any specific request, please provide a written request to the office by Monday 4th November. If you have not returned the *Kinder to School Transition* form please do so as soon as possible.**
