

We're taking part in a feel good fundraiser with Reusables Etc.

We've chosen the 'Reusables Etc for Schools' fundraising program, a feel good fundraiser that will help raise money for the school and help improve the health and wellbeing of your children and the environment. Reusables Etc is your one-stop shop for quality non-toxic, eco-friendly food and drink ware.

To participate, all you need to do is shop online at www.reusablesetc.com.au and enter our school fundraising code **f8ove** in the shopping cart. Visit www.reusablesetc.com.au/schooldemo to see how.

Using Reusable Lunch Gear helps eliminate waste in our school & community.

DID YOU KNOW?

If every child produces 3 pieces of waste each day, that's 30kg of waste each year. For a school of 500 students that's a whopping 15 tonnes which can be avoided by providing a litterless lunch for your kids.

Why choose reusable food and drink products at www.reusablesetc.com.au ?

- 10% of every purchase will be donated to our school if you enter our fundraising code
- Every product from Reusables Etc is carefully selected to ensure products are free from BPA, PVC and Phthalates so they won't alter the taste or leach nasty toxins into food or drink
- Save money on grocery bills by choosing reusable food wraps, and avoiding single-use plastic wrap, sandwich bags, bottled water, and pre-packaged items.
- They stock a great range of insulated products, so you can feel confident sending healthy, fresh foods in your kids lunchboxes
- Using reusable products helps to eliminate waste in schools and prevents us sending unnecessary plastic packaging to landfill
- Reusables Etc delivers straight to your door, with flat rate delivery fee of \$9.95 or free delivery for orders over \$150. You can continue to order throughout the year and each time you use the fundraising code our organisation will benefit.

To get started or for more information visit www.reusablesetc.com.au/schooldemo or contact your fundraising co-ordinator with any questions.
