

OPS Science Day

Wednesday, 24 May 2017

- This term, our students from Foundation level to Year 6 are studying SCIENCE.

Foundation - Biological sciences - **Living Things (Animals)**

Year 1 - Chemical sciences - **Kitchen Science**

Year 2 - Biological sciences - **Living Things**

Year 3 - Chemical sciences - **Solids, liquids and gases**

Year 4 - Biological sciences - **Life Cycles**

Year 5 - Earth and spaces sciences - **Planets and geological changes**

Year 6 - Biological sciences - **Adaptations and survival**

- *Theme for Science day - ALL THINGS SCIENCE!*

DURING THE DAY AT SCHOOL students in each year level will participate in 100 minutes of science activities. Students and teachers are encouraged to come to school on the day dressed as a scientist. Ensure appropriate footwear is worn, at all times.

THE OPEN EVENING 6.00-7.00pm ALL OVERPORT FAMILIES ARE INVITED TO COME!

- Each family will receive a *Periodic Table Passport*. As families move around the school looking at the great work done during the day, class teachers will give you an *element* sticker of the Periodic Table to add to your passport. See how many you can collect! There are many great things to see at Overport!
- Come and see the live demos happening around our school by Dr Daniel Price and some Monash University students.
- There will be a BBQ and display organised by the RACV Energy Breakthrough Challenge.
