

SCIENCE OPEN NIGHT

Wednesday, 12 June 2019

5.30 – 7.00pm

Come to Overport and see all the wonderful things
we are doing in the area of *science!*

During the school day, students will be involved in a variety of engaging and exciting science activities. Students are permitted to come to school dressed as a scientist!

RACV BBQ will be at 5.00pm.

For the evening, families are invited to come and visit our school from 5.30 to 7.00pm. Visit your child's classroom, the library, the specialist learning spaces and other year level areas across the school! Classrooms will showcase science work the students have completed. There will be a number of interactive science demonstrations throughout the school too!
