

Overport Primary School Sport Report

District Basketball Championships

On Monday 24th August, Overport is sent a girls and a boy's team with coach Mr Pryor to the District Basketball Championships. Both teams put in a fantastic performance and only narrowly miss out on taking the title of District Champions. After a lot of fun was had and great support from many parents the girls and boys both finished the tournament in second place. Well done to St Johns ps taking out both divisions. Congratulations to all students involved and Mr Pryor for not only a fun day for all but an excellent result as well.
