

Overport Primary School Sport Report

Junior Hoop Time Champions

On Tuesday the 4th August Overport entered three teams in a basketball competition called Hoop Time. The competition is for year 3/4 students and has something for everyone. I highly recommend you get involved if you have the chance. The competition has three levels, Rookies, for beginners who have never played the game and don't know the rules, Future Stars, for students that play basketball at domestic competition outside of school but are below A grade standard or Rep level and All Stars, for those who do play A grade or Rep basketball. Overport fielded one Rookie and two Future Star teams, the two Future Star teams were coached by Flynn 6A and Shae 5B. Flynn's team, the Overport Orangutans was good enough to go undefeated for the day and win the Future Stars competition. The brother and sister combination of Sophie and Max was a great to see.

Well done to all involved and we wish the Orangutans all the best at the Regional Hoop Time Championships coming up later in the year.

A very special thank you to Flynn and Shae for their great work with the students and Di for her help with scoring all day.
