

Overport Primary School Sport Report

Lightning Premiership Day

Congratulations to all our competitors on Lightning Premiership Day. I enjoyed hearing a lot of great feedback about our school and the sportsmanship demonstrated by our students and teachers. Our girl's soccer team was in an epic battle for the District Championship trophy, which couldn't be decided on the day. They will be playing this Friday against Kunyung Primary School so all the best girls!

Girls Footy Day

What a great day it was last Friday when 19 girls from Overport had a football clinic and District Lightning Premiership competition at Overport Park, home of the Frankston Dolphins Junior Football Club. The girls displayed some awesome tackling skills and persisted against some very tough opposition. The girls had one win and three very close defeats. I was very proud of their effort and I hope some of the girls may look at taking up football as their chosen sport outside of school. Many girls showed a lot of potential.

In school this week...
