## Division Softball Finals

On Friday 21<sup>st</sup> October Overport sent our boys Softball team to Wilsons Reserve in Mornington to compete for a place in the Regional Championships. In a very close first game we went down to St Macartans, the eventual winners. After a slow start the boys were down 10-5 but with a big innings they hit the front 10-12. Unfortunately with 2 outs and 1 more out need to take the match the buzzer went and the scores must go back to the equal innings score 10-5 St Macartans win. We then played Tyabb and won very convincingly 22-5.

Congratulations to the boys for never giving up and playing their best! Thank you to Mrs Lacey for doing such a great job.

A couple of big finals to finish off the year with one State final locked in, fingers crossed we might have two State finals to come.

### Coming soon....

Junior T20 Blast District Cricket	@ Overport Park	22 <sup>nd</sup> November
