

Overport Primary School Sport Report

Summer Lightning Premiership Day

After many weeks training we are not far from the Mt. Eliza District Summer Sport Lightning Premiership Day. This will be Overport's first team sport experience in our new district and will provide fantastic new challenges for all the students. With over 100 students participating, hopefully we can enjoy a few wins across the day. Held on Tuesday 15th March, Overport will play Rounders & Volleyball @ Mt. Eliza ps, T20 Blast Cricket @ St. Thomas More ps, Hot Shots Tennis @ Overport Park Tennis Club and Softball at home. Good luck to all participating.

Cross Country Training in Full Swing

What a great start to the year with over 50 students already locked into their cross country training program. With all participants working really hard as a group, the most pleasing sign has been the camaraderie between all students. I can see our Whole School House Cross Country having some great battles for placings. Hopefully we can have lots of parents come along to support all the students running.

In school this week:
