

# Overport Primary School Sport Report

## District Athletics

On Monday 11<sup>th</sup> September 56 students represented Overport at the Mt Eliza District Athletics. Throughout the day all students displayed great sportsmanship and gave it their best effort. After entering the Mt Eliza school sport district last year we soon realised that competition was very strong and we would need to be at our best to succeed and progress to the next level in this district. Our students stepped up to the challenge and have had the most successful district Athletics campaign in my time at Overport. Everyone should be super proud of not only our students achievements but also their support of each other throughout the day. Here are some of the results our students would like to share with you:
