

## Overport Primary School Sport Report

### Senior Hoop Time Basketball

On Wednesday 2<sup>nd</sup> September our Year 5/6 students went to Frankston Basketball Stadium to compete in the Senior Hoop Time competition. Mr Pryor, accompanied with some very helpful parents, Tanya, Mark and Kerry were kept busy getting all four teams to each game on time. One team made the semi finals, which was a fantastic effort, and all the other teams had a lot of fun. Hopefully next year we can get more students involved. A big thank you to Mr Pryor and the parents for making the day a success.
