Our small number of international students and students who identify as Indigenous are supported within the current class programs.

The staff are dedicated and committed to developing a learning environment which maximises the overall educational needs of our students and endeavours to achieve the best social, emotional and educational outcomes for them. Our school is committed to working with students as individuals, adapting programs to their specific needs through a differentiated approach to curriculum and instruction. Our teachers plan together in strong teams and share sound practices across and between year levels to provide continuity.

Our leadership team has a shared vision that ensures a focus on building teacher capacity and curriculum delivery. The Principal and Assistant Principals meet weekly to discuss school operations, curriculum and wellbeing. Our School Improvement Team (SIT) comprising the Principal, Assistant Principals, Learning Specialists and Passion Team leaders, meet on a regular basis to review data and discuss the various curriculum and wellbeing Action Plans along with the strategic ‘Road Map’ to implementing curriculum delivery and relevant changes across the school.

Our Professional Learning Communities (PLT) comprising of a year level leader and their team, meet twice a week and use data to drive effective curriculum planning. Our middle level leaders (team leaders) meet regularly to support implementation of the Action Plans and ensure continuity of program across the school. Our PCO members attend Team meetings and visit classrooms to ensure strong instructional leadership within the school. We undertake whole school professional development meetings (staff meetings) once a week and Passion Teams (curriculum teams) meetings that meet several times during the term. The Passion Teams focus is to deliver upwards of 80% of our staff professional development. This can also be said of Curriculum Days’ PD. Our SSP goals are designed to improve student learning outcomes in Literacy, Numeracy and to improve student engagement and agency in learning. The 2022 AIP was targeted to identified areas for improvement in Literacy, Numeracy and Wellbeing.

Our classrooms are designed with flexible open learning spaces that offer the opportunity to embrace innovative practices throughout the school. The school also provides a multi-purpose hall, and a state of art Library, Visual Arts room, Performing Arts room and a Computer hub as well as a huge range of technology within classrooms.

Our parents support the school through involvement in classroom programs, fundraising, sports activities, camps and excursions, and numerous other activities. Our School Council
