Traralgon South Primary School has a prescribed school uniform as determined by the School Council. It is expected that all students will present in clothing that is neat and tidy.

1. RATIONALE
A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the prescribed school uniform.

2. AIMS
2.1 To promote equality amongst all students.
2.2 To further develop a sense of pride in, and identification with our school.
2.3 To provide durable clothing that is cost effective and practical for our school environment.
2.4 To maintain and enhance the positive image of the school in the community.

3. IMPLEMENTATION
3.1 The prescribed school uniform applies during school hours, while travelling to and from school, and when students are on school excursions.
3.2 The wearing of excessive jewellery is considered inappropriate and unsafe. Sleepers or stud earrings can be worn in the ears only. No other visible facial jewellery is permitted.
3.3 The wearing of make-up is considered inappropriate.
3.4 During Terms 1 and 4 approved Sunsmart hats are to be worn outside. During Terms 2 and 3 approved school beanies can be worn. Hats are not to be worn inside.
3.5 The Parents and Friends Committee will operate a uniform shop for parents to purchase new and second hand uniforms and school bags. Uniform items can also be purchased from various local retail outlets. Totally Workwear Traralgon now stock the polo shirt and hooded jumper.
3.6 Details of the prescribed uniform will be distributed to each family at the start of each year and issued as part of the Parent Information Manual to new students upon enrolment.
3.7 School Council requires the Principal be responsible for implementation of the prescribed school uniform in a consistent manner.
3.7.1 Out of Uniform Notification forms can be sent home via the Principal requesting correct attire if prescribed school uniform is not worn.
3.7.2 The Principal will make contact with parents of students where the school Uniform Policy is not being followed on a regular basis. Staff are encouraged to be responsible for the implementation of the school Uniform Policy.
3.8 Arrangements can be made to supply second hand uniforms or uniforms via State Schools Relief for families experiencing economic hardship.
3.9 Parents seeking exemptions to the prescribed school uniform due to religious beliefs, ethnic or cultural background, student disability, or health condition must apply in writing to the principal.
3.10 Parents are to provide a note to the Principal/classroom teacher if their child is out of uniform stating a valid reason.
