Latest Communication Update.

Dear Parents and Carers,

The good news, as I advised yesterday, is that we are all back tomorrow. I have no doubt the children and their parents are excited as are our teachers.

- ✚ Given the guidelines outlined for all Victorian schools the following information is quite clear. Parent helpers are on hold at the moment. We sincerely hope we can begin this again soon as it was lovely to see so many of our parents assisting.
- ✚ No on-site tours are permitted. Our virtual tour can be found on our website: www.overport-ps.vic.edu.au
- ✚ Instrumental music lessons cannot take place until further advice; neither can excursions or incursions.
- ✚ We are to continue to reinforce COVID safe behaviour. Therefore, masks are required to be worn outside and inside by all adults. Teachers are not required to wear masks when direct teaching. Primary aged students are not required to wear masks. Students will be required to hand sanitize on arrival and after recess breaks.
- ✚ Parents of students in years 3 to 6 please say goodbye at the gates. Parents of Prep to 2 may walk their child/ren to the classroom doorway but are not permitted inside. Please remain at an appropriate social distance from doorways. Doors will open at 8.50 am for the children to enter, as has become our usual practice.

Thank you for your continued support and understanding.

Kind Regards,

Julie Gleeson
