22nd October, 2021

On-site attendance requirements

for week beginning 25th October 2021.

Dear Parents and Carers,

As I advised last week, the on-site supervision element will be ceasing from 5th November when all students are back at school.

However, while we are within the "staggered return " phase some families still require on-site supervision for their child/ren on the days when they are not here with their normal class.

Therefore, if this is the case for you, please book your child/ren in for next week by 4.00 pm Saturday, 23rd October 2021, if you are eligible for on-site support and your child/ren require supervision.

Please note:

> ***On the advice of our public health team, all workers – in Melbourne and regional Victoria – on the Authorised Worker list will require their first COVID-19 vaccine dose by 18 October in order to continue working onsite, and for their children to be eligible for on-site supervision.***

Here is the QR code and link below to request on-site support.
