

3rd September 2021

On-site attendance requirements.

Dear Parents and Carers,

Please stay the course and stay strong as we continue into lockdown over the next couple of weeks.

Please remember to book your child/ren in for next week if you are eligible for on-site support and your child/ren require supervision.

1. For on-site support you must meet either one of these criteria.
 - a. You are an essential worker and have provided your permit
 - i. Please note that you must be **working outside the home**
 - b. Your child is in one of the vulnerable categories
2. If you have **not** booked your request for next week, please do so by Saturday lunchtime. I will still accept students if you complete the form or edit current form by that time.

Please use either the QR code below or follow the link below to request on-site support. The old form is no longer accepted. *You must use this format.*

This must be done by Friday EVERY WEEK.

Please send your permit directly to me at julie.gleeson@education.vic.gov.au

If the weather gives us a break over the weekend, please take some time to go out for a walk and get some much needed fresh air.

Best wishes to you all.

Kind Regards,

Julie Gleeson
