## Parent Opinion Survey

A reminder that the Parent Opinion Survey is open until this Sunday, the 29<sup>th</sup> of August. The Department of Education and the school look very closely at what the parents think and say. Thank you for taking time to improve our school and to highlight what is going well.

## School Foyer

We are in the process of updating the look of the school foyer – we are incredibly proud of the work the student are undertaking in the classrooms and love showing it off. In the past we have only displayed work that was a polished finished product, however the most exciting thing is to see the development of their thinking. For this reason, we are going to also include some of the ‘draft’ work, the work with the crossing out, the changes in ideas, the spelling mistakes. It is this work that is the authentic students work. So, when you are looking at these pieces please realise that we are fully aware of the mistakes, but we are proud of the development the students are making. It is also important to realise that students are at different learning stages.

## Art Work

Our corridor is looking amazing with the art work produced during the weekly art sessions. It is great to see the variety of ideas and the way in which students put their own ‘twist’ on the art piece.

## NAPLAN results

I now have a copy of the NAPLAN results for the **Grade 3 and 5 parents**. This year the Department has emphasised the confidentiality of the document and stated that we are not to send them home with the student. Please call me and make a time to pick these up.

## SCHOOL ACCOUNTS

The accounts have been sent home. These accounts are to be finalised by the end of August.
