

14<sup>th</sup> July 2021.

Dear Parents and Carers,

I sincerely hope you have had a enjoyable break over the holidays. Many of our families took the opportunity to go camping or visit friends in country Victoria or even a bit further afield. Some of the children that I have spoken with have shared some interesting stories already.

Please see the following information which is important for you to note:

***Final Two Curriculum Days for this Year.***

As we had to cancel our proposed Curriculum Day last term due to the lockdown, we have rescheduled for Friday, 13th August. Our focus will be on our Writing Program and its assessment. Our last Curriculum Day for the year will be held in term 4 on Friday, 8th October where we will undertake Profession Development in ICT and Mathematics. Please mark the on your calendar. Extend will offer on-site care should you require it. Please contact them to book in via their website.

***School Uniform.***

Our school uniform is something that our students wear with pride and that helps them to feel connected and part of the school student body. All colours must be either navy blue or light blue. Please note that hair that touches the shoulders must be tied up. Also, extreme hair styles and colours are not part of school uniform. While we understand this may have taken place during the school holidays for fun, I request that parents address this as soon as possible. I have asked our teachers to send home notices to families where the students are not in correct uniform. I have attached the policy for your convenience.

Thank you for your continued support. Should you have any questions, please feel free to contact me,

Kind Regards,

Julie Gleeson

Principal.
