Arrangements to Accommodate Possible Extension of Lockdown.

Dear Parents and Carers,

Good morning. I sincerely hope the lovely weather over the weekend gave you some reprieve as we continue to navigate this current landscape together.

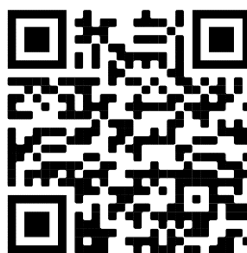

It is possible that there may be an extension beyond Thursday mid-night. If this is the case, you must follow the steps below.

1. For on-site support you must meet either one of these criteria.
 - a. You are an authorised worker
 - b. Your child is in the vulnerable category, and you have discussed this with the school.
2. If you have **not** booked your request for Friday this week, I will still accept students if you complete a form or edit current form. **However, you must advise me that you have done so via email by 5.00 pm today.**

Please use either the QR code below or follow the link below to request on-site support. The old form is no longer accepted. You must use this format.

This must be done by Friday EVERY WEEK.

Please send your advice directly to me (not the Overport email address) at julie.gleeson@education.vic.gov.au

Best wishes to you all.
