## Welcome back to another exciting term.

We hope that our students and their families had a great time enjoying the holidays. I thoroughly enjoyed my time in Italy. So many amazing things to see and just a delightful country with truly delicious food and an amazing history. This term we have lots of exciting activities happening starting with our year Prep, 1s and 4s swimming which they have all enjoyed. Next week year 4's are off to Phillip Island for camp. I have looked at the long range forecast for Phillip Island and it looks a bit cold so make sure you pack warm clothes and a jacket. We hope that everyone has a great time. Following that in week three we have our Family Forums where the children are already excited about sharing their learning journey with you. All in all, a busy start!

## Science Open Night at OPS

While I was not here for the wonderful night, I have heard nothing but positive comments about the amazing student work on display as well as the myriad of science experiments across the school. The staff were delighted to see so many of our families braving the weather to take the opportunity at the end of last term to visit and see what their children are doing at school in the area of science. Thank you to Dr Dan and the students from Monash University for attending and showcasing many exciting science experiments that contributed to making the night such a success.

## Staffing Changes:

We wish Mrs Lauren Wilman well as she commences her family leave this week and therefore, we welcome Mrs Chelle Gray and Mrs Alice Wynne who will share the class for the rest of the year. Many of the children have had their siblings taught by either one of them. Following Mrs Gilman's acceptance of another position, we welcome Mrs Brooke Kennedy and Mrs Robyn Appleby in year 5. Brooke was teaching PE so we are delighted to announce that Mr Jack Butler has joined Mr Lukas. On 9th August, Mrs Kate O'Halloran will also begin family leave and Ms Charlotte Grieg will join the preps team. We welcome them to Overport.

### Helpers needed - Getting Involved with our Market Night.

On 15th November we will hold our annual Christmas Market. We need lots of helpers on the night and also people prepared to assist at the planning level. If you are able to join us or are interested in assisting in any way, please let us know and we can arrange for information to come home to you. The market consists of craft and food stalls. There will also be a school Cake Stall and BBQs, Show Bags, Money Board and rides and face painting for the children. To start the excitement for the day, we will hold a free dress day for students. The market will begin at 4.00 pm and finish at 7.30 pm. We are looking to lots of parent helpers to make the night a success as well as another great community evening.

*Kind Regards,*

*Julie Gleeson Principal.*

Dear Parent/Guardian,

We will be holding the *School Fun-Run* as a major fundraising event this year on **Friday 2<sup>nd</sup> August!** We're doing it to raise much needed money for **shade sails over our playgrounds**.

### About the Program

The *School Fun-Run* promotes healthy and active lifestyles while helping us raise funds! It's all about participation, with students treated to a great day as a reward for their fundraising efforts. Family support is key to our fundraising success and we encourage everyone to get involved.

### How Does My Child Fundraise?

Firstly, go to [schoolfundraising.com.au](http://schoolfundraising.com.au) and create a student profile page. Everything to do with your fundraising revolves around this page. Once you have completed this, read through your Sponsorship Form, which has instructions on how to raise money and order prizes.

Students who raise just \$10 will receive a reward for their effort. The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without adult supervision, and we encourage you to reiterate this at home. The best people to ask for sponsorship are people you know (e.g. friends, family, work colleagues and neighbours).

### Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of \$120. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at [schoolfundraising.com.au](http://schoolfundraising.com.au) and share your online fundraising link.

### Getting Involved

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the *School Fun-Run*. If you would also like to volunteer to help on the day, please contact me on the details below. I can't wait to see you at our event!

### Ordering Prizes – ALL PRIZES MUST BE ORDERED ONLINE

Prizes MUST be ordered between **Friday 23<sup>rd</sup> August** and **Friday 30<sup>th</sup> August**. Simply visit [schoolfundraising.com.au](http://schoolfundraising.com.au) to create / log into your Profile Page between these dates. Then click on the 'CLAIM YOUR PRIZE' button and follow the prompts. If you have any questions, please contact the *School Fun-Run* team on 1800 FUN RUN and they will gladly assist!

Happy fundraising – Ricky + Jill
