Thank-you!

As term 2 draws to a close I wanted to take a moment to thank our magnificent teaching staff. Every single member of staff at Overport Primary School continues to go above and beyond to ensure the emotional and social wellbeing of students is attended to and that their educational needs are met. I'm proud to be able to assist and support these wonderful people when and where I can to make Overport one of the best schools in the state. The things that really make me grateful are the experiences that we provide that are above and beyond the realms of education and wellbeing. I've listed a few below:

- Whole School Swimming Program
- Billy Tea Bush band
- Life Education
- Choir Practice and Performances
- Instrumental Lessons
- Open Nights
- Family Forums
- Junior/Senior School Council + associated fundraisers
- Sport/Exercise Training, before and after school
- Book Week and a Book Parade
- Easter Hat Parade
- A number of camps, incursions and excursions
- Japanese Week
- District, Regional and State team representation
- The various concerts and productions
- Energy Breakthrough Team
- Graduation
- Supporting whole school fundraising events
- Lunchtime Clubs

The opportunities above often fall outside of the allocated teaching week and are in place to allow all of our students to become well rounded and well experienced members of our community. I hope all of our teachers enjoy a well-deserved break and come back refreshed for a busy and exciting Term 3.

Year 3 Sleepover

On Friday June 21st, it was the grade 3 sleep over.

Firstly, we went to inflatable world. My favourite was the inflatable basketball hoop. After hours of great fun and lots of smiles, we went back to school and made our very own place mats for dinner later on. After school finished we went home showered, got dressed and went back to school. When we got into our classroom, we set up our beds to sleep on. Then we went to the disco for twenty minutes. We listened to all kinds of songs and danced all sorts of funky dances. Finally it was time for dinner and we had, crispy chicken, buttery potatoes and fresh peas. Next Mr. Rodwell had an epic trivia night with thick and creamy chocolate sauce and weetbix. After hours of fun we went back to our class room for a calming movie. In the morning we had toast, crickets and cereal. Sadly the fun was over and we went back to our families and picked up our bedding but overall it was amazing!

On the 21st of June was our year three sleepover. But first were going to inflatable land, I was so excited, so we hopped on the bus and 15 minutes later we were at Inflatable land, me and my friends went on an inflatable that you have a strap on you and you try run as fast as you can and put the velcro down. But my favourite was a dinosaur inflatable. But then we had snack and lunch, after that we had another play and then went home and got ready for the sleepover.

We arrived at school ready for the sleepover and set our beds up. After we go have a disco everyone was partying like they were at a rock concert. Next we had Reddy roast it was delicious!

Then it was time for the trivia. I think my team only got 4 wrong. It was my first time doing a trivia. Meanwhile we got into bed and watched a movie we fell asleep at midnight. I woke up at 5:39 to Alex nagging Adrian to go to the toilet.

In time Daniel and Jasper tell me I was snoring and yelling "Kj stop it! Get off my bed!" We got dressed and had breakfast before I knew it I was at home. I can't wait until year 4 camp. WOO HOO!!!

On Friday the 21st of June I went to the year three sleepover at Overport Primary School. It was awesome! First we hopped on the bus to go to inflatable world. When we got there a person named Mark told us the rules then we went off to play. We stayed there for two hours. My favourite inflatable was the obstacle course for two people.

After that we hopped back on the bus to get to school just in time for a movie and lunch. We watched the Lego Movie. I loved it. When we got back in from lunch we made place mats for dinner that night.

At 5:30 we were back at school. At school we set up our beds then went to have a disco. The disco was so much fun. I danced with all my friends to my favourite songs. Next we went to a delicious reddy roast dinner and a milo and ANZAC biscuit supper. After dinner we did trivia. I've never done a trivia and it was so much fun!

While we were falling asleep the teachers put on minions 1. Everyone was asleep by 12 o'clock. The next day I had pancakes and toast for breakfast with apple juice. Once everyone was finished we got picked up and went home.

I loved grade three sleepover and can't wait for camp next year.

STUDENT HEALTH AMBASSADORS

SEMESTER 1, 2019

At the start of the year, 7 responsible year 6s were elected as the Student Health Ambassadors. Khodi, Charlotte, Charlie, Lucas, Gerika, Marley and Jhett. As we worked closely with 6ds teacher Miss Bower and the Assistant Principal Mrs Wathen. As Overport has never had a Student Health Ambassador team, it was an open canvas.

Our first job was to encourage a stand against bullying for National Stand Against Bullying Day, where we held a drawing competition throughout the school to encourage children to stop bullying and the winner from each class would win a special wristband and a certificate with their name on it.

After that, we hosted a fundraiser in support of The World's Greatest Shave. Our Assistant Principal Mr Joyce said if the school reaches a fundraising goal of \$1100 he would shave his head for the Leukemia foundation. And with the support of the Crazy Hair Day, we ended up raising \$1100 dollars and Mr Joyce shaved his head.

Then we held a walk to school day where we encouraged students to walk to school to keep them healthy and to learn road safety for a special sticker if they walked to school.

Student Reflections

This term in year 6, we have been learning about adaptations for inquiry.

Our classes made projects about the behavioral, structural and physiological adaptations of an animal and the biome it lives in. We worked in a group of three people and each group did a different biome; we could do Tundra, Grassland, Polar, Savannah, Aquatic, Forest, Rainforest, and Desert. We presented our dioramas on science night.

Overport Primary School canteen term 3

Hi everyone,

My, hasn't the term flown by. We have changes to the menu for term 3 in the special meal day category to reflect the season.

Munchy Mondays - Steamed dim sims, we also have gluten free dim sim and gluten free soy

Tasty Tuesdays - Baked Macaroni cheese. Made by us. Add chicken or tuna to change it up!

Wicked Wednesdays - We have kept our Soups. Tomato or our homemade chicken noodle, served with a roll.

Tempting Thursdays - Mrs Mac's Lite N Up Pies and sausage rolls

Fancy Fridays - Hotdogs with or without Cheese, Sauce or Mustard.

Don't forget you can order online via www.myschoolconnect.com.au search Overport Stir Crazy Kids.

Email info@stircrazykids.com.au

Thanks for all your support again during term 2. We look forward to continuing to deliver a great service for you all.

Regards,

Crissy, Ngaire and Donna

REMINDER!!!

If your child comes home in clothes from the school because they have had an accident or fell into water, can you please wash and return them to the office?

These are clothes that we have in First Aid for such situations.

If you have any second hand tracksuit pants or socks that you would like to donate you can drop them off at the office.

Thank you for your understanding.

Mums Supporting Families in Need is a local completely volunteer run organisation which provides material aid and food support to over 200 local families experiencing circumstantial crises each month. We are always seeking donations from our community to pass on to families in need. Items accepted include; second hand clothing in great condition, new underwear and socks, ladies and menswear, nappies, wipes and non-perishable food items.

The Frankston South Community Centre has graciously offered to act as a drop off point for any donations from our school community. Please see the friendly staff there for any further details.
