

The Overport Times

From the Principal's Desk

Dear Parents, Guardians and Students

Working Bee Thank You: Last Saturday a group of our parents and staff braved the poor weather conditions to attend our working bee. We managed to get quite a lot done in the time and left the school looking great. Thank you very much for your support and efforts to the families: Barnes, Wheeler, Robertson, Mallinson/Coyle, Camillo, Fitzgerald, Sykes/Matic, Gillott, White, Sreen, Hearn.

Mathematics at OPS: Mathematics is more than rules and knowing the four processes; it is about developing a strong understanding. Effective mathematics teaching relies on knowledge of students' pre-existing ideas and the implementation of effective strategies to support students to develop more sophisticated mathematical understandings. Next term we will be having "Professor Maths" incursion for all students with a focus on Hands-on and manipulative materials. This is also as a celebration of a 100 days of school.

Request From Frankston High School: A number of our parents are parking in Frankston High School Staff carpark. This is causing major concerns for staff arriving and finding no where to park. Please note this must cease. While we understand that parking is of a premium in both the morning and after school, neither FHS nor our staff carpark is for parents as a drop off or pick up or to park. Please respect this request.

Curriculum Day :

Our next Curriculum Day will be held on **Tuesday 2nd August** and will be spent on developing our whole school planning documents to align with the new

Victorian Curriculum. This is a vital part of the work being undertaken through our Annual Implementation Plans (AIP). Our AIP can be found on our website if you are interested to see the work being done within the school across this year to support our Strategic Plan and continuous school improvement.

Parents' Club Trivia-Night:

We are all looking forward to Parent's Club's *Trivia night on Saturday 18th June, from 7.00 pm. There are still some tables left if you have not already put your name down...but you must be fast! It should be a great social evening with lots of laughter and fun. See you there!*

*Kind Regards,
Julie Gleeson,
Principal.*

Our school has an app

We are now using an app to send instant messages, newsletters and notices.

The tiqbiz app will help our school keep you fully informed and up-to-date with newsletters, notices, news and events. It's easy to use and also has the benefit of helping reduce our paper consumption by printing less.

**Downloading is easy...**

iPhone and iPad.
Go to the Apple App Store and search tiqbiz.

Android smartphone and tablet.
Go to Google play and search tiqbiz.

Windows & Mac computers.
Go to www.tiqbiz.com and click on the download button.

Year 3:

Please continue to listen to your child read every night and ensure homework requirements are met.

Year 4:

Please continue to listen to your child read every night and ensure homework requirements are met.

Year 5:

Please assist your child to remember to bring their school diary along each day.

Year 6:

Having a splurge on timetables. Also remember homework due every Monday.

Assistant Principal's Report

As mentioned in previous newsletters, the excursion levy notice for term 3 is coming home with all students today. **This payment is due by Monday 11th July:** the first day of term 3. It is very important to remember that we require BOTH payment and signed permission notices for your children to be able to attend any of these excursions, incursions or sporting events. Payment alone does not mean your child will attend. You MUST return the permission notice as well. Legally, we require your signed permission for each event. All notices are stapled together. It is advisable for you to sign all of these and return them together by the beginning of next term. Also be aware that there may be circumstances where late payment or late return of permission slips may not be accepted.

Information in relation to our upcoming Family Forums will be coming home with your child today. These meetings will take place on Tuesday 19th and Wednesday 20th July. This is the second week back after the term holidays. On the reverse side of the notice, you will find the simple instructions on how to make a booking once you have logged on to the website. Family Forums are a chance to talk with your child and their teacher, celebrate their achievements and identify future learning goals. We anticipate all parents will take this opportunity to be part of their child's learning journey.

www.schoolinterviews.com.au The booking code for this event is **h9xbx**.

Semester 1 reports will be sent home to all parents on Thursday 23rd June.

We were to be holding a **Healthy Foods forum** for our parent community next Thursday, however this has now been postponed and will be taking place next term:

Thursday 4th August. We have been able to engage a guest speaker, who unfortunately was unavailable this term, but can attend in term 3; therefore we made the decision to reschedule this event. A flyer will be sent home early next term for you to indicate your attendance.

Good luck to the girls who will be competing in the Girls Footy Gala Day tomorrow, which includes a clinic as well as a round robin competition. This is a great opportunity, and we hope you have a very enjoyable day.

Remember that next Monday is a public holiday. Students are not required at school. There will be no assembly next week.

Have a lovely long weekend everyone,

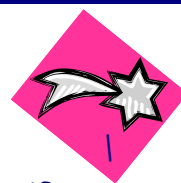

Deborah Madder
Assistant Principal

Second Hand Uniform

We are in need of second hand uniform, especially winter items, if you have any spare could you please bring them in to the office.

Thank you

'OVERPORT CARES' AWARDS

Extend OSHC at Overport Primary School

Last week was a great week, we got the pleasure of going outside and playing lots of different games, though football and fish out of water seem to be the ones played by the children. As for activities in the hall, our craft trolley is the draw card for all children that attend the program. Stencils and ribbon art were the two activities the children really enjoyed doing. More fun and exciting activities to come from the craft trolley.

Also don't forget to book your child or children into our holiday program.

Awesome activities and experiences are planned for the upcoming holidays. Go online to find out more.

WINTER HOLIDAY PROGRAM BOOKINGS ARE OPEN!
