### INTRODUCTION TO COMPUTER PROGRAMMING WITH SCRATCH

1:30pm at Frankston Library.

Join us at the library to get an introduction  
to Scratch, a programming language that  
allows you to easily create stories, games and  
animations to share with others around the  
world. It is expected that children attending  
will have a basic understanding of:

- Navigating a computer and using the Internet
- Using simple games/programs
- Knowledge of what 'programming' is, in theory.

Suitable for children 9+ years.

**FREE - Bookings essential.**
