Welcome to the last term for 2018.

I hope that you and your family all had a wonderful break and the children have arrived ready for another term. There are certainly a lot of wonderful things on this term. We have begun with our first junior concert at the FAC and it was wonderful. We are so proud of the children's efforts. They brought the house down in both shows! Huge thank you to Miss Williams and Miss Forbes, our production and direction team, and to Miss Corvi for her stage management, as well as the whole staff team for their support and work to bring this thrilling event together. Of course, the accolades belong to the performers who were obviously having a great time. Lots of smiles and giggles as well as incredible dancing.

Reminders for our community:

1. Please ensure your child is at school on time. We have a school bag bell at 8.55 am for children to come inside. The teaching day commences at 9.00 am. It is **critical** for children to **arrive on time** ready to start the day to ensure their learning and others' is not disrupted.
2. Attendance: **It's Not Okay to be Away!** Regular attendance is essential to allow them to reach their full potential.
3. **Dogs are not permitted in the school grounds between 8.30 am and 4.00 pm.**
4. It vital that we all work closely together as parents and school to support our students, your children. To provide the best environment for all our students we have a Community Code of Conduct policy that we all need to follow. Please see this attached.
5. Please note that children riding to school on bikes or scooters must wear a helmet and must be in grade 4 or above unless accompanied by an adult.
6. All personal items of students, including bikes, mobile phones, special toys, etc, if brought to school, are done so at student's own risk. Mobile phones must be logged with the class teacher and collected at the end of the day.
7. As the department of education and early child development does not offer individual cover. For Personal Injury and Accident Protection insurance go to www.studenthealth.com.au

As well as our wonderful junior concert, this term we have many activities such as camps, RACV Challenge, sporting events, Christmas Market, year 6 graduation, whole school transition and lots more! It will certainly be a very busy and exciting term!

Kind Regards, Julie Gleeson Principal

ENERGY BREAKTHROUGH DAY

Coming up on Friday October 12th is our annual RACV day, which includes a **Free Dress Day** (gold coin donation), **Chocolate Coin Toss** (gold coin), **Push Cart Rides** (50c per ride) and **Throw a Sponge at a Teacher's Face** (\$1 for 1 throw, \$2 for 3 throws).

The RACV team has been tirelessly training three times per week for the Human Powered Vehicle and Pushcart events to be held in Maryborough in late November. RACV Day is an important fundraiser for the event, without the support of the school and local community we would be unable to compete.

Please support the team to achieve success in Maryborough.

Extend OSHC at Overport Primary School

Recap

Welcome to Term 4!

At Extend we have had a blast over the holidays. We have been on excursions to Scienceworks and Warrook farm and had footy clinic and treasure chest quest incursions. We are now ready for the busy term ahead!

Please remember to ensure your child has a hat so we can continue going outdoors and enjoying the beautiful weather we have been experiencing.

If you have any activities or ideas for us at OSHC please feel free to pop in and let us know so we can add these to the planner or write your ideas and pop them into the suggestions box located in the hall foyer.

We are looking forward to the great term ahead!

Courtney, Team Leader

Our Extend Superstar is:

Ethan for always being so kind to his peers and using his manners with everyone he engages with. Well done Ethan!
