Wednesday 23rd October

Dear Families,

Welcome to Week 3 of Term 4!

I would like to begin by thanking our wonderful families and staff for the enormous effort they put in at Saturday's working bee. It was fabulous to see our school community all working together and showing pride in our school grounds, and the learning spaces for our students. Our school is looking fresh and vibrant, and we have a few improvements still to come!

I am also very pleased to announce that our school community will welcome a new member to teaching staff in 2020! We will welcome Miss Taryn Vandersteen into our team. Miss Vandersteen was selected by our panel, and is excited to be a part of our school next year. We are now in the process of confirming class structures. These should be announced in Week 7, once Prep enrolments have been confirmed.

I have also been looking at some articles on building resilience in children, and have included some handy tips with our newsletter, for anyone that is interested in some strategies for home.

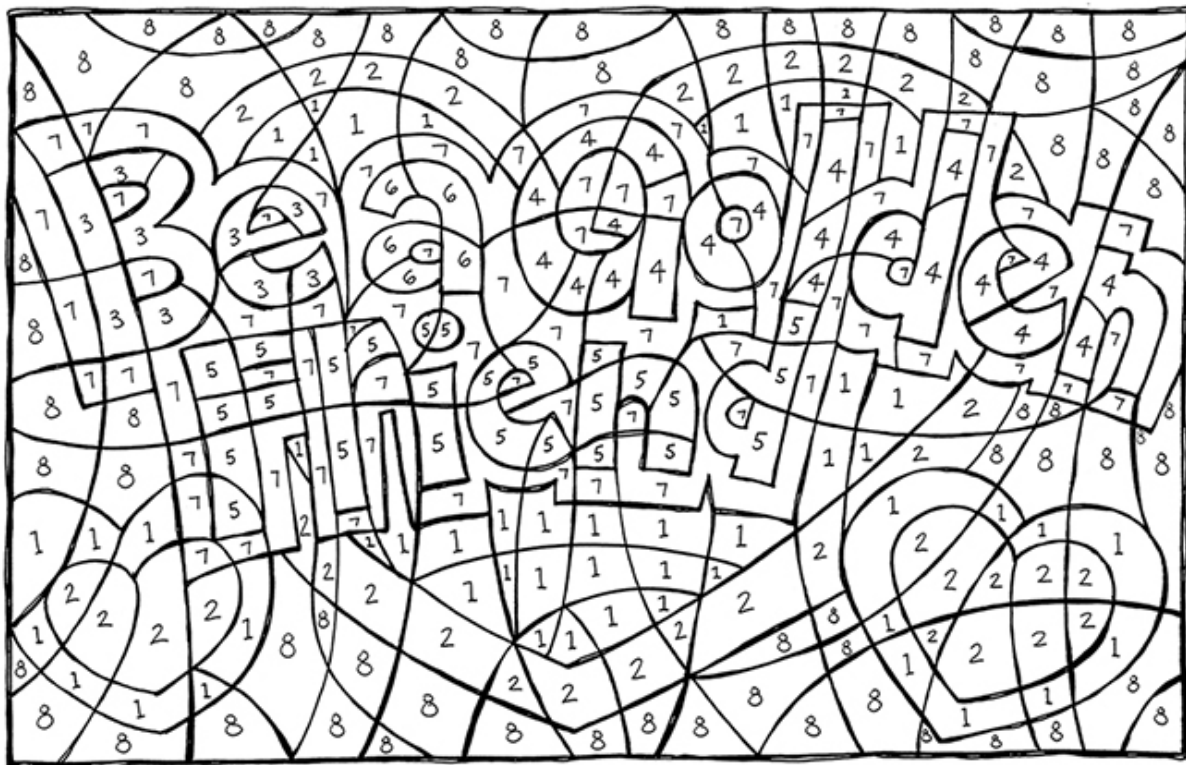

Congratulations to last week's resilience picture winner: Ava P

You have earned yourself a packet of gel pens to help you create your next picture!

This week, you are searching for a hidden message in this colour by number.

You must choose a colour for each number before you begin, no swapping once you start!

	Thu 28th	Grade 5/6 Melbourne Camp PJ Day
	Fri 29th	Grade 5/6 Melbourne Camp
Dec	Wed 11th	Prep Transition 9-1pm

PARENTS CLUB

Parents Club are very pleased to let the School Community know we have purchased the first of the 5 Shade Sails that need replacing at the School. We hope to see a new sail put up in the area between the Kinder building and the toilets in the coming weeks. Thank you go all those who have contributed to our fundraising efforts. We will be continuing our fundraising working towards the sail at the front of the school.

Our Wheel-A-Thon is coming up. This week fundraising forms will be coming home for each child. This is a great day that the kids love. Hopefully the weather will be kind to us.

Lunch Orders have resumed. Thank you to Bec & Loretta for helping out with these. Our next meeting will be on Monday 11 November. We hope to see some new faces there.

Thanks

Ellen Sykes

A Word From Our School Captains

Dear Families,
The playgrounds and gardens look very neat after the working bee. Also its great to have Mrs Robbins back in our classroom again after her holiday.

By School Captains—Emma & Jack

Despite some ordinary weather it was great to see so many families help out at the working bee. Many jobs have now been crossed off! A special thanks to Tim Morley for repairing a platform in the playground and bringing his gator to move mulch. Also thanks to Peta Thexton for her handy tractor work around the school. Don't worry if you couldn't make it last Saturday, we'll be having another working bee early next year with some more exciting projects in the pipelines.

LUNCH ORDER FORMS
