

16th October, 2020.

Dear Parents and Carers,

The children have all settled back to on-site school well. It has been a delight to see them and we are all very pleased that we are moving forward.

The following arrangements will be in place for next week.

Morning commencement:

The doors will open for student from 8.45 am to 9.00 am. Parents of year 3 to 6 must not come onto the school grounds. Prep to 2 parents may continue to drop them at their class door area and leave the grounds immediately. However, no adult is to be on the grounds prior to 8.45 am.

Afternoon finish:

Students can still be collected between 3.15 pm and 3.30 pm. However, for everyone's safety it is essential that parents **do not** come onto the grounds prior to 3.15 pm. At that time, you must go straight to the door for collection and leave immediately. Please do not try to enter the classrooms.

Adults cannot congregate in the grounds waiting to collect students.

We are fortunate to have large grounds but if we continue to have adults moving around the grounds prior to this time and beyond, we will be forced to cease all adults being on the grounds for drop off or collection.

Covid-19 restrictions have placed an enormous burden on us all but if we all work together, follow appropriate social distancing, effectively wear masks and follow these school requirements, we will be able to continue to provide our current arrangements for everyone.

Thank you for your continued support and understanding as we navigate this new normal together and try to keep everyone safe and well.

Kind Regards,

Julie Gleeson

Principal
