## **FOR ATSI YOUTH**

**We are looking for young Aboriginal and Torres Strait Islander youth who are looking for a meaningful and cultural connection.**

**Our Songlines is a 100% Aboriginal owned and led start-up focusing on brave, innovative change. We are interested in people who want to make social change and think a little bit differently about how to engage and educate.**

**We feel like a bunch of friends who work together, support each other, and are crazy passionate about making real change.**

**We provide one-on-one and group support with young Aboriginal and Torres Strait Islander people to build a trusting relationship and encourage youth on their future options, pathways, and engaging in education.**

**Find out more by emailing [hello@oursonglines.com](mailto:hello@oursonglines.com) or call 0449 607 934**
