

Overport Primary School Sport Report

Welcome back everyone!

I hope everyone had a very nice holiday and feel recharged and ready for a big term of sport! After having our highest number of participants in Summer Sport yet (85 students), it's now time to knuckle down into the wet weather winter sports.

We will be playing the traditional winter sports, Aussie Rules Football, World Football (Soccer) and Netball. We also have the opportunity to participate in Hockey 7s and Teeball as our weekly winter sports. It would be fantastic to see as many parents as possible down at the games helping out or just showing the students support. If you have the passion to be involved please contact one of the Year 5&6 teachers or myself.

Our weekly games will be like practice matches and on Friday 3rd June we will play a Lightning Premiership to see which school earns the right to play at Division Finals (early term 3).

District Cross Country is coming up, Tuesday 24th May, training will start next week for our District Cross Country Team. In a new District it will be a new challenge and I'm looking forward to seeing everyone enjoying the new course. District Cross Country will be held at The Peninsula School.

Athletic trials will commence soon so keep your eyes and ears open.

If that's not enough, we also have Girls Footy on the calendar, Friday 10th June. After a great turn out last year I'm really looking forward to seeing the girls have a go with some experience behind them.

In school this week.....
