

Overport Primary School Sport Report

Rugby League Champions!

On Thursday 15th of September Overport was represented with a girls and boys rugby league team at the Northern Peninsula Division Gala Rugby Day. The event was held at Monterey Secondary College, from 9:30am till 2:30pm. Both teams played hard but fair, the boys just missing the grand final. Our girls were undefeated entering the grand final, in a tough game the final siren sounded with the score locked at one try all. In a nail biting extra time, golden point play off the Overport girls class showed through. Our girls are now qualified and entered to play in the State Finals of the Billy Slater Shield to held in late November. Congratulations to everyone involved!

Netball Star Academy Are Coming to Overport

In school next this week.....

Netball Star Academy Incursion for the whole school
