

Overport Primary School Sport Report

Division Athletic Championships!

What a great day for Overport ps at the Mornington Peninsula South Division Athletic Championships. On Wednesday 5th October, eight students went to Ballam Park Athletic Track to compete against the best in the Division. Our star 10 year olds Queen and Jhai both booked themselves a place at the Regional Athletic Championships. Queen won the 10 year olds girls 200m in fantastic fashion, hitting the straight and leaving all behind her. Jhai grinded out a great second against some very good opponents in the 800m. Overport had a boys 10 year olds relay team (Jhai, Vidak, Jesse and Seb) that ran into some technical problems and were disqualified after having interference from another lane but will be wiser for the run and should look forward to having another crack next year. Kendal was so close with a 3rd place in the 11 year olds Discus and Ayshia also a close 4th in the 12 year olds 200m. Will G had a great effort after a cricket mishap the night before the big day, 7th place but only one metre or so from a place in the Regional Championships.

Overport ps are very proud of all our competitors and wish Jhai and Queen all the best at the Regional Athletic Championships to be held at Casey Fields on Thursday 13th October.

Netball Star Academy Are Coming to Overport

What a great week and two days we have had with Candace from the Netball Star Academy coming out each afternoon to give the students a taste of their afterschool program. With Overports new netball court nearly ready for use it was a great way to get the students into netball. If netball is your thing, want to try something new or your keen to improve your skill give Candace a call.
