

Overport Primary School Sport Report

Girls Soccer Regional Championships

Congratulations girls on a fantastic day on the soccer pitch. After two great wins and a draw the girls were knocked out of the grand final on a goals for and against count back. Everyone from Overport are super proud of your effort! Thank you to Mrs Lacey and all the parents for their help in preparing the girls for the day.

Jump Rope For Heart

You may have heard the students from Overport talking a lot about skipping lately? That's because the Jump Rope For Heart Foundation kindly donated many skipping ropes to our school so our students could get fit and healthy by skipping in sport/physical education classes/lunch/recess time. For this wonderful donation to our school we are trying to give a little back by raising some money for the Heart Foundation. It's all done online and a letter was sent home with all the year 3 and 4 students explaining how to register. It's very easy and for such a great cause. If you would like to register please follow the link below. If we can raise \$2000 between 180 students, just over \$10 each the year 3 and 4 students will earn a special casual dress day for themselves. Get online and checkout the great tips on how to raise some money for a great cause.
