

Overport Primary School Sport Report

Parent Helpers Needed for Friday June 3rd

Year 5 & 6 District Winter Sport

Lightning Premiership Day

Last week in Friday Sport practice matches, we had the pleasure of hosting Mt Eliza North PS for the first time and it was a fantastic day. We played girls and boys Soccer, 2 games of Teeball, 3 games of Netball and Footy down on our oval. We got over the line in both soccer games, footy and one game of the games of Teeball, while we had a draw in Netball and a couple of losses. So far the new district has presented some tough challenges but our students have been handling themselves very well. One more week of practice until we hit the big stage.

This week we play Mt Eliza at home and their school, while our Hot Shots group travel to Overport Park for some tennis lessons and a few games.

In school this week.....
