

Hello parents, students and staff of Overport Primary School Stir Crazy Kids Canteens is delighted to be looking after your canteen. This year we are open from Wednesday, 29<sup>th</sup> January, 2020.

The Canteen will be operating Monday to Friday every school week. You will be able to order your child's/children's lunches on any of these days. We will be open for lunch orders from the term 1 menu and window sales from Wednesday, 29<sup>th</sup> January, 2020 so come by and say hello. We are very proud of our Canteen menu. It has been formulated over many years of feeding primary school students, taking in to consideration the DET policies for Healthy Eating. Our menu complies with this policy. We make all of our fresh lunches onsite as well as our cookies, muffins and gingerbreads. We also make our pastas, toasted sandwiches and most of special meal day choices as well. The Canteen will be open before school from 8.30, at morning snack time and lunch time for snacks and drinks. We have installed a coffee machine as well so that you can grab a coffee when you drop your kids off, at a cost of \$ 3.30 or \$ 2 for a hot chocolate, which the children can also enjoy on a cool morning.

**Online ordering:** We have partnered with My School Connect to provide a website for our canteens for parents to order their kids lunches online. No need for a lunch box or paper bag. We have a specific website for Overport families to use. The Web address below will take you to the site. You will be asked to make an account and set up your student's details. You can do a direct deposit to draw down from for lunch orders or use your credit card or PayPal for payments on the day. There are fees for using Credit cards and PayPal. Doing a direct deposit has no fee but can take a few days to transfer in. Once you have registered you will be able to order your kids lunches a month or week in advance or on the day before 9.00am. MSC charges .33c processing on each order. There is an App for mobile phones available from Apple and Google play. So easy to use. Most of the photos of the food on the

site have be taken by us. Ordering lunches online help us to have everything ready for your kids on time! <http://www.myschoolconnect.com.au> Lunch orders can also be placed through the canteen lunch bags through the classroom or direct to the canteen. These details are on the canteen menu.

We look forward to meeting you all on soon. Donna, Chrissie and the team from Stir Crazy Kids.
