## MARLENE S

15 from Germany

Ever since I learnt about Australia, I have fallen in love with it! My older brother has been on exchange and my family has hosted, therefore I know how wonderful it is to create a 'second family' on the other side of the world!

## EMMA D

17 from Italy

With an easygoing and sensible nature, I care about people around me and I stand up for my values. Although I can be a little bit shy at the start, I'm kind, cheerful and open up when I get to know someone better!

## MARCELLO C

16 from Italy

I am bubbly, enthusiastic and always very happy! I aspire to become an actor. I participate in acting classes and I love singing and dancing. I can't wait to meet your amazing family and to make some Australian friends!

"If you're thinking about hosting, do it!

It's the most rewarding

experience for your family.

Our daughter has a sister now, someone to talk to other than mum or dad."

Nicole, three-time host mum.
